Product Specification

SYSTEM	
CPU	Intel N5095 / N95 / N5100 processor options.
Chipset	Intel Jasper Lake SoC.
Memory	1 × SO-DIMM DDR4 2666 / 3200, up to 16 GB.
Storage	1 × M.2 NVMe 2280 SSD; optional 1 × 2.5 in SATA HDD / SSD.
I/O AND CONNECTIVITY	
Bottom I/O	4 × USB 3.0, 1 × RJ45 (RTL8111H), 1 × audio-out, 1 × microphone-in, 1 × VGA, and 1 × HDMI.
Right-side I/O	2 × USB 2.0, 1 × combined audio port, and 1 × Type-C port.
Left-side Controls	1 × power switch, 2 × screen-brightness buttons, 1 × one-touch screen-off button, and 1 × one-touch mute button.
Special Features	Supports power-on self-startup and remote wake-up.
Power Adapter	48 W (12 V / 4 A).
DISPLAY AND PHYSICAL	
Screen	23.8 in IPS hard screen with LED backlight.
Resolution	1920 × 1080.
Wall Mount	Supports VESA 100 × 100 mm.
Anti-Theft	Supports Kensington security lock.
Dimensions	540.3 × 434.6 × 56.7 mm.
Excluding Base	540.3 × 320.2 × 56.7 mm.
Operating Environment	Temperature: -10°C to 50°C. Humidity: 10% RH to 90% RH, non-condensing.
Packaging List	Complete unit (with base) × 1, power adapter × 1, power cord × 1, product manual (including certificate of conformity and warranty card) × 1. Specifications are for reference only and subject to the actual product configuration.
