

X100 SERIES

X100-EF35H24

High-Performance Cloud All-in-One

A capable 23.8-inch all-in-one built around Intel 12th and 13th Gen processors, combining reliable performance, full-HD clarity and flexible expansion in a refined desktop form.

- Intel H610 platform supporting 12th / 13th Gen processors.
- Dual DDR4 SO-DIMM slots with capacity up to 64 GB.
- Full-metal base with fixed mounting points for stable deployment.
- Optional Wi-Fi / Bluetooth, M.2 storage and 2.5-inch drive expansion.

Product Specification

SYSTEM	
CPU	Supports Intel 12th / 13th Gen CPUs.
Chipset	Intel H610.
Memory	2 × SO-DIMM slots. Supports up to 64 GB DDR4 3200 / 2933 / 2666 memory modules.
Storage	1 × M.2 2280 slot supporting SATA / NVMe PCIe 3.0 ×4 mode. Supports 2.5 in SATA drive expansion.
I/O AND CONNECTIVITY	
I/O	4 × USB 3.0, 2 × USB 2.0, 1 × audio-out, 1 × microphone-in and 1 × combined audio jack. 1 × HDMI, 1 × COM and 1 × Type-C; 2 × screen brightness buttons. 1 × one-touch screen-off button and 1 × one-touch mute button.
Special Features	Supports power-on self-startup and remote wake-up. Optional Wi-Fi 5 / Wi-Fi 6 and Bluetooth 5.0 module support.
Power Adapter	120 W adapter.
DISPLAY AND PHYSICAL	
Screen	23.8 in IPS hard screen with LED backlight.
Resolution	1920 × 1080.
Wall Mount	Supports VESA 100 × 100 mm.
Anti-Theft	Supports Kensington security lock.
Dimensions	540.3 × 434.6 × 56.7 mm.
Excluding Base	540.3 × 320.2 × 66.7 mm.
Operating Environment	Temperature: -10°C to 50°C. Humidity: 10% RH to 90% RH, non-condensing.

- 12th / 13th Gen
- Dual DDR4
- 23.8 in IPS
- Wi-Fi / BT Ready
- VESA Mount
